## Summary

With 4 years of experience in Javascript and Python, I have become a Full Stack - Backend and DevOps heavy developer, with a compressive knowledge of React and Next.js. I am a creative thinker with a friendly and open-minded coworker attitude.

I have been an employee, an entrepreneur, and I am always going to be a student ready for the next challenge.

You could check my GitHub for more <https://github.com/devluist>

I also like to challenge myself on [https://hackerrank.com/dev\\_luist](https://hackerrank.com/dev_luist)

## Experience

### Full Stack Engineer

SIM Venezuela

Jun 2018 - Aug 2021 (3 years 3 months)

- DevOps:

- \* Site Reliability Engineering
- \* Sentry, Prometheus and Grafana SQL/PromQL queries for reports, health checks, and monitoring
- \* Automation Scripting development of Bash/Python scripts
- \* Servers setup: Nginx, domains, non-sudo users, custom ports, set ssh keys, firewall setup, etc

- React.js

- \* Co-developer on some of the React projects for clients and internal project at the company

### Full Stack Engineer

Universidad de Oriente (VE)

Sep 2017 - Mar 2018 (7 months)

Web app for data collection to increase tourism. This was a college project, made with Node.js / Express.js and MongoDB.

I was in charge of the Backend, Architecture, and Admin Dashboard.

I implemented Factory and Strategy Design patterns on the API.

This demo is based in Sucre state, Venezuela.

### Entrepreneur

Self-employed

Dec 2013 - Mar 2015 (1 year 4 months)

My first attempt at entrepreneurship. This app was a Venezuelan freelancer marketplace web app since, by that time, people were facing a tough inflation. This app was intended to alleviate the situation.

You could see a demo [https://youtu.be/EGY\\_NsZGuSc](https://youtu.be/EGY_NsZGuSc)

- Backend with Python2.5 / Django 1.8
- Frontend with CSS3 + Bootstrap3 and HTML5
- Deployment to a Server through Openshift services
- Business Canvas and MVP as a proposal to gain users, investment
- Advertising, Marketing, and pitching of ideas
- Business Networking
